Jesse Albert Stone aka Charles Calhoun, Jimmy Reed (1959)

*If You Love Me Baby* - Tony Sheridan and The Beatles - *The Beatles First* (1962)

<sup>1</sup>  
If you leave me, baby, say you won't be back  
That would be the end of me, 'cause I would have a heart attack<sup>1'</sup>  
You better get some insurance on me, baby.<sup>4</sup>  
<sup>4'</sup> Take out some insurance on me, baby.<sup>1</sup>  
<sup>5'</sup> 'Cause if you ever, ever say goodbye,  
I'm gonna haul right off and die<sup>4</sup> <sup>1</sup>

<sup>1</sup>  
Darlin', how I love you, long as I got breath  
If we part, I know sweetheart, it would worry me to death<sup>1'</sup>  
You better get some insurance on me, baby.<sup>4</sup>  
<sup>4'</sup> Take out some insurance on me, baby.<sup>1</sup>  
<sup>5'</sup> 'Cause if you ever, ever say goodbye,  
I'm gonna haul right off and die<sup>4</sup> <sup>1</sup>

<sup>4</sup>  
Don't get no sick on accident,  
'cause I'm healthy as can be<sup>1</sup> <sup>1'</sup>  
And if ya got any sense,<sup>4</sup>  
you'd take the hint,  
And get a Penn Life, On Me.<sup>5'</sup>

<sup>1</sup>  
You don't know me, baby, like I know myself,  
I couldn't live if you should give, All your love to someone else<sup>1'</sup>  
You better get some insurance on me, baby.<sup>4</sup>  
<sup>4'</sup> Take out some insurance on me, baby.<sup>1</sup>  
<sup>5'</sup> 'Cause if you ever, ever say goodbye,  
I'm gonna haul right off and die<sup>4</sup> <sup>1</sup>
