

Teach Your Children

Graham Nash

I-101

A D
 You, who are on the road,
 A E
 Must have a code, that you can live by.
 A D
 And so become yourself,
 A E
 Because the past is just a goodbye.

Teach your children well, A D
 Their father's hell is slowly goin' by. A E
 And feed them on your dreams, A D
 The one they picked, The one you'll know by. A E

Chorus:

A D
 Don't you ever ask them why,
 A
 If they told you, you will cry.
 F#m D E
 So just look at them and sigh,
 A
 And know they love you.

And you, of the tender years, A D
 Can't know the fears that your eldest grew by. A E
 And so please help them with your dreams, A D
 They seek the truth before they can die. A E

Teach your parents well, A D
 Their children's hell, will slowly go by. A E
 And feed them on your dreams, A D
 The one they picked, the one you'll know by A E
