

These Days - Jackson Browne

(G Em ... *)

G Em
I've been out walking.
G Em
I don't do that much talking, these days.
D C
...These days... These days I seem to think a lot,
Am D
About the things that I forgot to do.
G Em
And all the times I had the chance to.

[G Em]

G Em
I had a lover.
G Em
It's so hard to risk another, these days.
D C
...These days... Now if I seem to be afraid,
Am D
To live the life that I have made in song.
G Em
Well it's just that I've been losing for so long.

[G Em]

G Em
I've stopped my rambling.
G Em
I don't do too much gambling these days.
D C
...These days... These days I seem to think about,
Am D
How all the changes came along my way
G Em
And I wonder if I'll see another highway.

[G Em]

G Em
I'll keep on moving.
G Em
Things are bound to be improving, these days.
D C
...These days... These days I sit on corner stones,
Am D
And count the time in quarter tones to ten.
G Em
Don't confront me with my failures, I've not forgotten them...
