

Tomorrow Is A Long Time – Bob Dylan

1 4 1 (4 1)
If today was not an endless highway
1 4 1 (4 1)
If tonight was not a crooked trail
4 5 1
If tomorrow wasn't such a long time
4 5 1
Then lonesome would mean nothing to me at all

Chorus:

4 5 1
Yes'n only if my own true love was waiting
4 5 1
And I could hear her heart a-softly pounding
4 5 1
only if she was lying by me
4 5 1
Then I'd lie, in my bed, once again.

1 4 1 (4 1)
I can't see my reflection in the water
1 4 1 (4 1)
I can't speak the sounds to show no pain
4 5 1
I can't hear the echo of my footsteps
4 5 1
Or remember the sound of my own name

(Chorus)

1 4 1 (4 1)
There's beauty in that silver, singin river
1 4 1 (4 1)
There's beauty in that rainbow in the sky
4 5 1
none of these and nothing else can touch the beauty
4 5 1
That I remembar in my true love's eyes.

(Chorus)
