

Traveling Down This Lonesome Road

By: Bill Monroe Key of "C"

INTRO: C, G7, C

CHORUS:

C G7 C
I'm traveling down this lonesome road, Oh how I hate to go
 G7

The wind and storms are raging high and it's awful cold

C F C
 My mind drifts back to you, sweetheart, and I love you so
 G7 C

Now you've gone and left me here to travel this lonesome road

C G7 C
I remember dear, not long ago, you said you'd be my own
 G7

I never thought you'd go away and leave me all alone

C F C
 The kind of love you had for me, I find sweetheart, grows cold
 G7 C

For now you've gone and left me here to travel this lonesome road

>>CHORUS:

BREAK: C, G7, C....., F, C, G7, C

C G7 C
All I do is roam around and look for you, my dear

G7
 I know I've searched ten thousand miles, oh, how I need you near

C F C
 You broke my heart, you left me here, now I'm growing old
 G7 C

Why did you go and leave me here to travel this lonesome road >> CHORUS:
