

Waltz Across Texas

3/4 Time Key of A

Ernest Tubb

verse:

A / / A / / E / / E / / When
we dance to-gether, my world's in disguise It's a
E / / E / / A / / A / /
Fair- y-land tale that's come true And when
A / / A / / E / / E / /
you look at me with those stars in your eyes I could
E / / E / / A / / A / /
waltz across Texas with you

chorus: (same chords)

Waltz across Texas with you in my arms
Waltz across Texas with you
Like a storybook ending I'm lost in your charms
And I could waltz across Texas with you

verse:

My heartaches and troubles are just up and gone
The moment that you come in view
And with your hand in mine dear I could dance on and on
And I could waltz across Texas with you

Here's Ernest himself doing it, in A:
