

# What Does the Deep Sea Say - Trad; Kweskin

I'm feeling so sad and blue. 1 5 1  
Oh, I'm feeling so sad and blue. 4 1  
Tell me, what does it mean? 4  
Is it all just a dream? 1 6m  
Is there one thing that's really true? 1 5 1

(Chorus:)

*Tell me, what does the deep sea say? 1 5 1*  
*Oh, what does the deep sea say? 4 1*  
*It sighs and it moans, 4*  
*It tosses and it groans. 1 6m*  
*And rolls on it's weary way. 1 5 1*

I feel like a drop in the sea.  
I feel just like a drop in the sea.  
No beginning or end,  
I'm just looking for a friend,  
So I know I'll have company.

I wish I had wings like a bird.  
oh, I wish I had wings like a bird.  
I'd be oh so free,  
And the song that was me,  
would be the sweetest that you'd ever heard.

One day I'll go down to the sea.  
Oh, one day I'll go down to the sea.  
I'll lie down in the sand,  
Hold out my hand,  
And let the waters wash over me.
