C C7 F C G7 C
When I stop dreaming that's when I'll stop loving you

F C
The worst that I've ever been hurt in my life

G7 F C
The first time I've ever have wanted to die

F
Was the night when you told me you loved someone else

C G7
And asked me if I could forget

C C7 F C G7 C
When I stop dreaming that's when I'll stop wanting you

You may teach the flowers to bloom in the snow
G7 F C

And you may take a pebble and teach it to grow
F

You may teach all the rain drops to return to the clouds
C G7

But you can't teach my heart to forget

C C7 F C G7 C
When I stop dreaming that's when I'll stop loving you
