

White Rabbit

1967 by Grace Slick; perf by Jefferson Airplane

Am Bb
One pill makes you larger and one pill makes you small.
Am Bb
And the ones that mother gives you don't do anything at all.
C Eb F C
Go ask Alice . . . when she's ten feet tall

Am Bb
And if you go chasing rabbits and you know you're going to fall.
Am Bb
Tell 'em a hooka-smokin' caterpillar has given you the call.
C Eb F C
Call Alice . . . when she was just small

G
When men on the chessboard get up and
C
tell you where to go,
G
and you've just had some kind of mushroom
C
and your mind is moving low
Am
go ask Alice, I think she'll know.

Bb
When logic and proportion have fallen sloppy dead
Am
and the White Knight is talking backwards
Bb
and the Red Queen's lost her head
C Eb C
Remember . . . what the Dormouse said
G C G C
Feed your head! . . . Feed your head!
