

# Wild Night

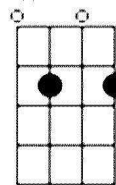

Van Morrison

II-133

**Intro:** |: Em Em7 G G/C G G/C G G/C G ☺

Then you brush your shoes, smile before the mirror  
 And you comb your hair, grab your comb and laugh  
 And you walk west streets trying to remember  
 All the wild night breezes in your memory ever

**Em7**

**Chorus:**  
 And everything looks so complete  
 When you're walking out on the street  
 And the wind catches your feet and sends you flying, crying  
 Dooo oooh wee, wild night is calling  
 Dooo oooh wee, wild night is calling

All the girls walk by, dressed up for each other  
 And the boys do the boogie woogie on the corner of the street  
 And the people passin' by stare in wide wonder  
 And the inside jukebox blows out just like thunder

## Chorus

### Bridge:

The wi---ld night is calling  
 The wi---ld night is calling  
 I'm going out and dance, come on out and make romance  
 Come on out and dance, come on out make romance (yes indeed)
