

Wreck On The Highway aka (I didn't hear nobody pray)

By Ricky Skaggs written by Dorsey Dixon [3/4 time]

G
Who did you say it was brother
D7
Who was it fell by the way?
G
When whiskey and blood run together
D7 G
Did you hear anyone pray?

CHORUS

I didn't hear nobody pray, dear brother
C G
I didn't hear nobody pray.

I heard the crash on the highway
D7 G
But I didn't hear nobody pray.

When I heard the crash on the highway
D7
I knew what it was from the start
G
I went to the scene of destruction
D7 G
And a picture was stamped on my heart

There was whiskey and blood all together
D7
Mixed with glass where they lay
G
Death played her hand in destruction
D7 G
But I didn't hear nobody pray

CHORUS

I wish I could change this sad story
D7
That I am now telling to you
G
But there is no way I can change it
D7 G
For somebody's life is now through

Their soul has been called by the Master
D7
They died in a crash on the way
G
And I heard the groans of the dying
D7 G
But I didn't hear nobody pray

CHORUS
