

You've Got A Friend In Me

by Randy Newman

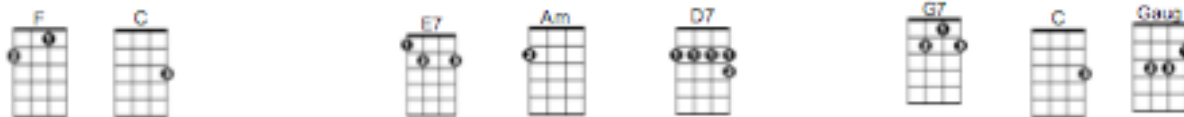

You've got a friend in me You've got a friend in me

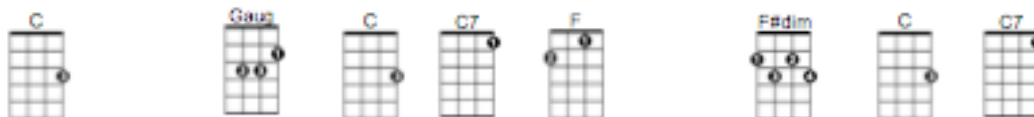

When the road looks rough ahead

And you're miles and miles from your nice warm bed

Just remember what your old pal said, Boy, you've got a friend in me

You've got a friend in me You've got a friend in me

You've got troubles, well I've got 'em too

There isn't anything I wouldn't do for you

We stick together and we see it through

Continued . . .

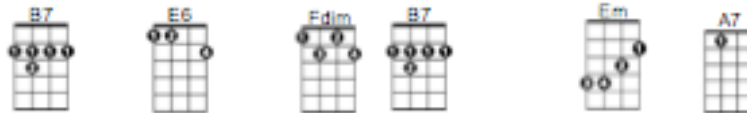

you've got a friend in me

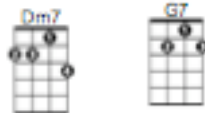

Some other folks might be a little bit smarter than I am

Bigger and stronger too , Maybe

But none of them will ever love you the way I do

It's me and you, boy

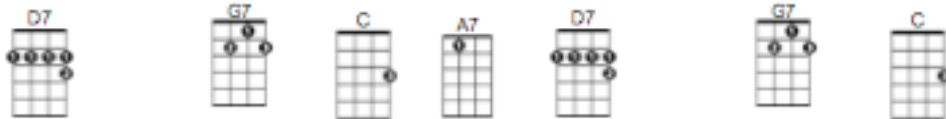

(Slower:)

And as the years go by Our friendship will never die

You're gonna see ; It's our des – ti -- ny

you've got a friend in me . . . you've got a friend in me
