

# Falling

I've just seen a face,  
I can't forget the time or place  
That we'd just met, she's just the girl for me  
And I want all the world to see we've met *la la la la la*

Had it been another day  
I might have looked the other way  
But I had never been aware  
And as it is I dream of her tonight

Falling, yes I am falling  
And she keeps calling me back again

I have never known  
The likes of this, I've been alone  
And I have missed things and kept out of sight  
But other girls were never quite like this

Falling, yes I am falling  
And she keeps calling me back again

I've just seen a face  
I can't forget the time or place  
And we'd just met, she's just the girl for me  
And I want all the world to see we've met

Falling, yes I am falling  
And she keeps calling me back again
