

(I TRACED HER LITTLE) FOOTPRINTS IN THE SNOW

4/4 time, key of A

Bill Monroe

Verse 1:

A // // **A** // // **A** // // **D** // //
Now some folks like the summertime when they can walk about
E // // **E** // // **E** // // **A** // //
Strolling through the meadow green it's pleasant there no doubt But
A // // **A** // // **A** // // **D** // //
give to me the winter-time when the snow is on the ground For I
E // // **E** // // **A** // // **A** // //
found her when the snow was on the ground

Chorus:

A // // **A** // // **E** // // **E** // //
I traced her little footprints in the snow
E // // **E** // // **A** // // **A** // //
I found her little footprints in the snow
A // // **A** // // **A** // // **D** // //
I bless that happy day when Nellie lost her way For I
E // // **E** // // **A** // // **A** // //
found her when the snow was on the ground

Verse 2:

I dropped in to see her there was a big round moon
Her mother said she just stepped out but would be returning soon
I found her little footprints and I traced them in the snow
I found her when the snow was on the ground

Verse 3:

Now she's up in heaven she's with the angel band
I know I'm going to meet her in that promised land
But every time the snow falls it brings back memories
For I found her when the snow was on the ground
