

I'll Never Get Out Of This World Alive in E

Fiddle Intro: last 2 lines of "A" part

Now you're looking at a man that's getting kind-a mad
I had lots of luck but it's all been bad
No matter how I struggle and strive
I'll never get out of this world alive

My fishing pole's broke the creek is full of sand
My woman run away with another man
No matter how I struggle and strive
I'll never get out of this world alive

A distant uncle passed away and left me quite a batch
And I was living high until that fatal day
A lawyer proved I wasn't borned, I was only hatched

Everything's agin me and it's got me down
If I jumped in the river I would prob'ly drown
No matter how I struggle and strive
I'll never get out of this world alive

Solos: Part "A", 1st 2 lines, Steel, 2nd 2 lines, Fiddle. Repeat both sections.

These shabby shoes I'm wearing all the time
Is full of holes and nails
And brother if I stepped on a worn out dime
I bet a nickel I could tell ya if it was heads or tails

I'm not gonna worry wrinkles in my brow
Cause nothing's ever gonna be alright no how
No matter how I struggle and strive
I'll never get out of this world alive
