

JET PLANE

My bags are packed, I'm ready to go
I'm stadin' here outside your door
Hate to wake you up to say good bye
But the Dawn is Breakin' it's early morn
The taxi's waitin' he's blowin his horn
Already I'm so lonesome I could cry.

So kess me and smile for me
Tell me that you'll wait for me
Hold me like you'll never let me go
I'm leavin' on a jet plane
Don't know when I'll be back again
Hey babe I hate to go

There's so many times I've let you down
So many times I've played around
I tell you now, they don't mean a thing
Everyplace I go I think of you
Every song I sing I sing for you
When I come back I'll wear your wedding ring

Chorus

Now the time has come to leave you
One more time let me kiss you
Then close your eyes, I'll be on my way
Think about the days to come
When I won't have to leave alone
About the time I won't have to say

Chorus
