

Loving Arms – Kris Kristofferson

A
If you could see me now
D E A
One who said that he'd rather roam
D E A
One who said he'd rather be alone
D E A
If you could only see me now.

A
If I could hold you now
D E A
Just for a moment, if I could make you mine
D E A
Just for a while, turn back the hands of time
D E A
If I could only hold you now.

Chorus:

D E
But I've been too long in the wind
A F#m
And too long in the rain
Bm E A A⁷
Takin' any comfort that I can
D E
Lookin' back I'm a-longin' for
A F#m
The freedom of a change
D E A
Lying in your loving arms again

A
If you could here me now
D E A
Singing somewhere through the lonely night
D E A
Dreaming of the arms to hold me tight
D E A
If you could only hear me now

(Chorus)
