C sweet GAL she won't know

These blues are everywhere I see
Weary blues are everywhere I see.
Blues all around me, everywhere I see
Nobody's had these blues like me.

Come all you good-time friends of mine
Come all you good-time friends of mine.
When I had a dollar you treated me just fine
Where'd you go when I only had a dime.

I'd be more than satisfied
If I could catch a train and ride.
When I reach Atlanta and have no place to go
Won't you make me a pallet on your floor.

The syncopation at the beginning of the first, second and fourth lines is not usually done in the verses, and can be omitted in the chorus by just singing the word "make" right on the beat.

Swinging Doors
by Merle Haggard

G C
This old smoke filled bar is something I'm not used to
G D7
But I gave up my home to see you satisfied
G C
And I just called to let you know where I'll be living
G D7 G
It's not much but I feel welcome here inside

C
And I've got swinging doors a jukebox and a bar stool
G D7
And my new home has a flashing neon sign
G C
Stop by and see me any time you want to
G D7 G
Cause I'm always here at home till closing time

C
I've got everything I need to drive me crazy
G D7
I've got everything it takes to lose my mind
G C
And in here the atmosphere's just right for heartaches
G D7 G
Thanks to you I'm always here till closing time
