'Cause if you mind your business then you won't be mindin' mine

Oh the woman on our party line's the nosiest thing

She picks up her receiver when she knows it's my ring

Why don't you mind your own business mind your own business

Well if you mind your business then you won't be mindin' mine

I got a little gal that wears her hair up high

the boys all whistle when she walks by

why don't you mind your own business mind your own business

Well if you mind your own business you sure won't be minding mine

If I want to honky tonk around 'til two or three

Now, brother that's my headache don't you worry 'bout me

Just mind your own business mind your own business

If you mind your business then you won't be mindin' mine

Mindin' other people's business seems to be high-toned

I got all that I can do just to mind my own
