Return to sender return to sender
I gave a letter to the postman Dm G7
He put it his sack
Bright and early next morning
Dm G7
He brought my letter back
        G7
                F
Return to sender address unknown
      G7
            C
No such number no such zone
              F
       G7
We had a quarrel a lover's spat
I write I'm sorry but my letter keeps coming back
So then I dropped it in the mailbox
                   G7
And sent it special D
Bright and early next morning
      G7
It came right back to me
             F
F G7
Return to sender address unknown
       G7
No such person no such zone
This time I'm gonna take it myself
And put it right in her hand
And if it comes back the very next day
Then I'll understand
          G7
 Return to sender address unknown
        G7
 No such number no such zone
                F
