She Caught the Katy

She caught the katy, left me a mule to ride

She caught the katy, left me a mule to ride

She caught the katy, left me a mule to ride

The train polled out and I swung on behind

Crazy 'bout her, that hard-headed woman of mine

[Verse 2]

Man, my baby long. Great God, she mighty, my baby tall
You know my baby long. Great God, she mighty, my baby tall
Well, my baby, she long. My baby, she tall.
She sleep with her head in the kitchen
And her feet's out in the hall
Crazy 'bout her, that hard-headed woman of mine

[Bridge]

Well, I love my baby. She's so fine

Wish she'd come and see me sometime

She don't believe I love her, look what a hole I'm in

She don't believe I'm sinking, look what shape I'm in

[Verse 1]

She caught the katy, left me a mule to ride

She caught the katy, left me a mule to ride

She caught the katy, left me a mule to ride

The train polled out and I swung on behind

Crazy 'bout her, that hard-headed woman of mine.
