

# She's Gone Gone Gone

Well She said if ever deceived her  
She'd be gone before I could count ten  
I guess that I didn't believe her  
Oh just look at the trouble I'm in.

## Chorus:

Now she's gone, gone, gone; gone, gone, gone  
Crying won't bring her back  
The more that I cry the faster that train flies  
Farther on down the track

Well I've lost every right to be happy  
When I lost the heaven I found  
She warned me she'd leave and she left me  
Before my first tear hit the ground.

If I only knew where to find her  
I'd crawl there on my hands and knees  
Each tick of the clock's a reminder  
That she's one second farther from me.
