SOUTH GEORGIA SUGAR BABE

Well, I've been alone for such a long while now,

But I won't be tonight, no,

Cause I'm bound for south Georgia to find my sugar babe.

She's gonna treat me right.

Well I don't know, something about the way she do

That drives me out of my mind,

So I'm bound for south Georgia to find my sugar babe.

She's gonna treat me fine.

BREAK - D A G D G D A A

I'm just out of Macon on Highway 16,

So I should be in Savannah by night.

Then me and my baby are going out on the town,

And that should be quite a sight.

Cause my baby, she's half as crazy as me,

And like I say it's bee some time

So I'm bound for south Georgia to find my sugar babe.

She's gonna do me fine.

BREAK

Now I said, well come on, baby, oh I won't be long, no

Get your dancing shoes ready, girl.

Put your best dress on now.
