

# THE TIMES THEY ARE A CHANGIN'

D Bm G D  
Come gather round people wherever you roam  
D Em G A  
And admit that the waters around you have grown  
D Bm G D  
And accept it that soon you'll be drenched to the bone  
D Em A  
If your time to you is worth savin'  
D A7 G A  
Then you better start swimmin' or you'll sink like a stone  
D G A D  
For the times they are a-changin'

D Bm G D  
Come writers and critics who prophesize with your pen  
D Em G A  
And keep your eyes wide the chance won't come again  
D Bm G D  
And don't speak too soon for the wheel's still in spin  
D Em A  
And there's no tellin' who that it's namin'  
D A7 G A  
For the loser now will be later to win  
D G A D  
For the times they are a-changin'

D Bm G D  
Come mothers and fathers throughout the land  
D Em G A  
And don't criticize what you don't understand  
D Bm G D  
Your sons and your daughters are beyond your command  
D Em A  
Your old road is rapidly agin'  
D A7 G A  
Please get out of the new one if you can't lend a hand  
D G A D  
For the times they are a-changin'

D Bm G D  
Come senators, congressmen please heed the call

D Em G A  
Don't stand in the doorway, don't block up the hall

D Bm G D  
For he that gets hurt will be he who has stalled

D Em A  
There's a battle outside and it's ragin'

D A7 G A  
It'll soon shake your windows and rattle your walls

D G A D  
For the times they are a-changin'

D Bm G D  
The line it is drawn the curse it is cast

D Em G A  
The slow one now will later be fast

D Bm G D  
As the present now will later be past

D Em A  
The order is rapidly fadin'

D A7 G A  
And the first one now will later be last

D G A D  
For the times they are a-changin'
