showed you that you love me baby, no one else can treat me right
for a cockroach wife baby you know you denied me thrice
you know lie too much, baby you know you lie too much
Stagger Lee and Charlie Brown baby, you lie with every man in town

say you run around, with Tom, Dick and Slim
ain't givin' you no money baby for what you givin' them
you know you lie too much, , you know you lie too much
You pick'em up you put'em down baby you lie with every man in town

(break)

you sold some to the policeman the neighbor raised a grudge
you didn't give a damn because you sold some to the judge
baby but you lie too much, , you know you lie too much
Stagger Lee and Charlie Brown baby, you lie with every man in town

showed me that you love me baby, you would treat me nice
for a cockroach wife you know you denied me thrice
you know lie too much, , you know you lie too much
Stagger Lee and Charlie Brown baby you know you lie with every man
in town

(break)

you know your mama and your papa, your sister and your brother
people down the street, and even all of your lovers
you know you lie too much, , yea you know you lie too much
You pick'em up you put'em down and you lie with every man in town

you know you lie too much, , you know you lie too much
you know you lie too much, , you know you lie too much
Stagger Lee and Charlie Brown you know you lie with every man in
town
